

**COUNCILMEMBER DONNA FRYE**  
City of San Diego  
Sixth District

**MEMORANDUM**

DATE: August 4, 2004

TO: Mayor Dick Murphy  
City Attorney Casey Gwinn

FROM: Councilmember Donna Frye *Donna Frye*

SUBJECT: Closed Session Discussion of Hazard Center Drive Extension

---

On Tuesday, August 3, 2004 at the City Council meeting, the issue of the extension of Hazard Center Drive under State Route 163 was discussed.

The construction of the extension of Hazard Center Drive under State Route 163 was a condition of a 1987 agreement between Hazard Center Associates and the City, based on the Hazard Center Tentative Subdivision Map (TM 85-0362).

In 1995, the City's Subdivision Engineer requested that work begin.

---

On February 5, 2001 the City Council authorized the City Manager to initiate proceedings for the formation of a Cost Reimbursement District for Hazard Center Drive Extension. The City Council also authorized the City Manager to execute a consultant agreement with Fraser Engineering to provide cost reimbursement engineering services.

In 2001 the schedule for the construction of the extension of Hazard Center Drive was to begin in March 2002 and be completed at the latest October 2002.

Due to the numerous legal issues regarding this project and the major implications to Mission Valley's circulation system I am requesting a closed session discussion of Hazard Center Drive extension as soon as possible.
